2019 ANNUAL REPORT
Our History

From Humble Beginnings...

Branches, formerly Miami Urban Ministries, was established in 1973 as the urban and social justice agency of what is now the South East District of the United Methodist Church. Up until 1999, Branches focused on grassroots organizing, advocacy and working with community members who were disadvantaged and/or experiencing social injustice. During this time, Branches focused resources in the areas of social crisis, immigration, housing, hospice care and hurricane relief, among others.

In 2000 when Mr. Brent McLaughlin moved from being a volunteer to the Executive Director, Branches embarked on developing and implementing programs that addressed the root causes of poverty and immediate and critical needs. Headquartered in a small office in Coconut Grove, Branches focused on its economic development programs, in particular its ASSETS Small Business Development program. Branches was then also introduced to a wonderful children’s program being run out of the Florida City United Methodist Mission by Mrs. Kim Torres. Mrs. Torres came to Florida City as a missionary right after Hurricane Andrew, now over 25 years ago, and was providing afterschool and youth development services. Mr. McLaughlin was so impressed with her program that he offered to take it in under Branches and help secure more funding to support it.

In 2004, Branches received its first contract from The Children’s Trust to serve 100 students at Branches Florida City. A couple years later, Branches South Miami also began serving children and youth. In 2009, Branches was selected to house and operate the United Way Center for Financial Stability at its new HQ location in North Miami, also known as Branches Lakeview, to provide high quality financial coaching services. In 2013, Branches Lakeview expanded to also serve children and youth from that surrounding neighborhood.

Today in 2020, Branches serves over 10,000 individuals per year, in particular 513 students and their families every day at all 3 of its locations. Thanks to its many partners, Branches is able to provide truly life-changing opportunities to working families and their children to help break the cycle of generational poverty. Here’s to many more years of changing lives!
At the Heart of our Mission

Dear Friends of Branches,

Branches is a place where children, youth and families are valued and are given the opportunity to discover their gifts and talents and realize their God-given potential.

We are grateful for another year of service and are excited to report that in 2019 Branches hit numerous milestones, all of which reflect the enduring impact we have on people’s lives. Thanks to YOUR support we have been able to achieve the following:

- Branches Florida City celebrated 25 years of continuous service.
- We provided 66 Climb thru College scholarships to Branches students valued at $194,662.
- We served 475 students each day at our 3 Branches sites, plus 38 college students.

- We served 8,027 individuals through financial wellness services, providing 810 one-on-one financial coaching sessions.
- Our Micro-Business Team provided over 800 hours of technical assistance to 196 businesses.
- With the help of our partners, the VITA Tax Prep coalition, Miami Tax Pros, prepared over 11,000 free filings, securing over $13 million in refunds.
- Branches and 1,100+ volunteers delivered 5,251 hot Thanksgiving meals and educational resources, and so much more...

We could not begin to have such an incredible impact without the support and partnership of hundreds of donors including individuals, churches, businesses, and private foundations, especially including Trish & Dan Bell, United Way of Miami-Dade, The Children’s Trust, and Volunteer Florida. Thanks to each of you for partnering with Branches as together we create life-changing opportunities for children and families.

Grateful for your partnership,

Rodney H. Bell

**Success Stories**

*A Grow & Climb Program Success Story:* In the Spring of 2018, Branches Florida City students, led by Journalism Major and AmeriCorps member Lindsey Gonzalez, published Branches’ first-ever student magazine. Four issues later, BOLD Magazine is now an integral aspect of the Grow & Climb program that students look forward to being a part of each semester.

Mia, a seventh grader, published four original short stories in the Fall of 2019 and also helped her sister, fourth grader Isabella, write her very first. Sixth grader Frahim discovered a passion for photography and plans to turn his hobby into a career one day. In addition, a group of fifth grade boys, Joshua, Sergio, Dario, and Rigo, created their very own brand of comics - Cringy Comics, Inc. They draft the storyline and do all the drawings and absolutely love it.

With each issue, BOLD has opened new doors for children and youth, educating them about unfamiliar and exciting careers in the arts, showing them how to work as part of a team, and giving them creative space to sharpen their skills.

Branches provides several Clubs like the BOLD Magazine Club after school for our students including Choir, Dance, Arts & Crafts, Crocheting, Cooking/Baking, Book Club, STEM Club, Gaming Club, Mystery Club, Fitness, Basketball, and Flag Football. Exposing our children and youth to different activities is so important and crucial for their development. Branches is all about helping our children and youth become better students, but we are also helping them become better people by openings their minds and hearts to new experiences.

*An Achieve Program Success Story:* Donna Edwards first came to Branches in order to purchase a vehicle through Branches’ Ways to Work program. However, it became clear to her Financial Coach that Donna and her family were struggling both financially and emotionally. This single mother of four had a complicated situation full of barriers that prevented her from feeling like she could achieve financial wellness. Therefore Donna’s Coach provided a complete assessment of her income and expenses, and her Coach also saw that she did not have enough income or sufficient credit to purchase a vehicle at that time. Donna recently had her fourth child and was put on bed rest causing her to lose her job. Before she could work with our Coach who specializes in asset-building to purchase a vehicle, she needed to work with one of our workforce development partners to obtain employment. In the meantime, Donna’s Coach began working with her to create a road map and determine what financial wellness would look like for her family.

Donna was motivated but also concerned with making sure her children had everything they needed, so we developed short term goals and evaluated the barriers that needed to be addressed so she could reach her long term goals. Donna’s urgent issues were that she needed employment, transportation, childcare, and support for her elderly father who has Alzheimer’s. As the holidays approached, Donna was also worried that she would not be able to purchase anything for her kids for Thanksgiving or Christmas. She shared with her coach, “My kids are working hard to stay positive, and they help with everything they can. The two older children are straight-A students and take on extra responsibilities, and help with their little sister that struggles in school. I just wish I could do much more for them!”

So Branches reached out to several partners and donors, and the Edwards Family was quickly adopted for both Thanksgiving and Christmas. Donna’s family was provided with a full Thanksgiving meal, plus numerous presents. Her children were thrilled, and Donna felt that an emotional weight was lifted and she was filled with a new sense of confidence to attend a job interview. And she was hired!

Last but not least, in an overwhelming surprise from another one of our gracious donors, Donna and her family were gifted a car! This car would help Donna get to her new job and take her children to school and activities. Our coaches also helped Donna understand how to use her father’s Social Security supplement and with guidance from another donor, Donna was able to secure a long-term care facility for him. With a new car, a new job, childcare, and quality care for her father, Donna and her family are starting 2020 with a whole new outlook on life!
Our Events

19th Annual Thanksgiving Meal Delivery Another Success!

Thanks to the efforts of our amazing donors and volunteers, Branches provided 5,250 meals to individuals in need this 2019 Thanksgiving Season! 1,141 volunteers helped cook, package and deliver meals on Thanksgiving morning at 9 sites throughout Miami-Dade and Broward counties.

Due to the generosity of hundreds of caring individuals, we were able to make a lasting impact in the lives of thousands of people in need. A special thank you to our premiere sponsors for their generous support: UPS, Alan Goldfarb P.A., Carnival Foundation, Goya Foods of Florida, Publix Super Markets Charities, Trivest and The Templeton Family Foundation. Along with a hot, delicious Thanksgiving meal, clients also received a trilingual resource pamphlet containing information about Branches programs and emergency and public benefit services.

Black Tie & Blue Jeans Benefit Dinner and Auction

Branches celebrated its’ 16th Annual Black Tie & Blue Jeans Benefit Dinner and Auction on Saturday, April 27, 2019 at the JW Marriott Marquis. Over 500 guests attended and helped to raise over $400,000 for Branches’ programs which provide life-changing opportunities to working families and their children to help them break the cycle of generational poverty.

The event was chaired by Gala Chairs Victoria & Jason Randolph and kicked off with a cocktail reception and a silent auction, followed by dinner and dancing, as well as an appeal led by MC Ron Magill of Zoo Miami, and an exciting live auction, led by Auctioneer and Board Member Scott Howard. The event also honored power couple Marile and Jorge Luis Lopez, Esq. for their generous support of the South Florida community with the Trish and Dan Bell Community Empowerment Award. All proceeds from the appeal of that evening supported Branches’ Summer Shade Camp and all donations were doubled since they are matched $1:$1 by a generous Challenge Grant provided by Trish and Dan Bell. Thank you again to our top sponsors for their kind support: The Himan Brown Charitable Trust, Sandy & Rod Bell, FIU Foundation, BB&T, Victoria & Jason Randolph, Aetna, Amicon, Center State Bank, City National Bank, Crowe LLP, JP Morgan Chase, Missy & Jim Morgan, Property Markets Group, Publix, The Tonkinson Foundation and more.

Branches’ Back to School Bash was a Blast!

Over 100 guests attended Branches’ 3rd Annual Back to School Bash on August 8th, 2019 at University of Miami’s Newman Alumni Center. Guests mixed and mingled as they enjoyed drinks, delicious appetizers and music by DJ Mayner. Guests were also able to fill a new backpack with school supplies and write a note of encouragement for a Branches student. A special thank you to Simply Healthcare, TeamFootWorks, Alan Goldfarb P.A., Plaza Construction, Kathy & Scott Howard and Missy & Jim Morgan for their generous support of this event and of course our incredible restaurant partners for bringing such yummy treats: California Pizza Kitchen, Misha’s Cupcakes, Pisco y Nazca, Vicky’s Bakery, Season’s 52, DBakers Miami, Xio’s Catering and Titanic Brewery. Congrats as well to Mrs. Dreena Robinson who received the 2019 Herbert C. Parlato Volunteer Award, honoring her for 20 years of incredible volunteerism.

We are also grateful for the support of our top partners who helped ensure all 513 of Branches’ children and youth, K through College, can go back to school ready to learn with the proper supplies and tools they need: Alma Advertising, BB Americas, Carnival Cruise Lines and the Templeton Family. Thank you again to everyone who came out to this fun event and supported our kids!
