*Budgeting for*  
**PET CARE**

# BUDGETING FOR PET CARE

## SET MONEY ASIDE MONTHLY

Estimate your monthly pet expenses (make sure you factor in annual expenses as well).

Budget for that amount as you would a monthly bill.

# BUDGETING FOR PET CARE

## CREATE A PET EMERGENCY FUND

Pet owners are likely to incur at least one **\$2,000–\$4,000 bill** for emergency care at some point in their pet's lifetime.

Create a separate fund for pet-related emergencies to protect your personal savings goals.
