Grow Deeper, Climb Higher

A New Year! A New Brand!

After having had two children, you would think the naming of a third child would be automatic. Not so for Karen and I. Back in 2004, we had discussed numerous names and eventually settled on the name 'Zachary' for our soon to be born third child. Karen was scheduled for a C-section and I can't explain it but the evening before the due date, I felt unsettled. I began searching databases full of names just to be sure there wasn't something I/we were missing. At last, there it was! Keenan! I just knew in my heart that would be his name. But when I shared it with Karen at about 10 p.m. that night, her response was less than enthusiastic to put it mildly.

The next morning we still couldn't agree on the name so we decided to take a poll after he was born among the nurses and staff in the operating room! As fate would have it, he was born with a wisp of auburn hair. As they passed him around looking into his face, choosing between Zachary or Keenan, they unanimously voted for Keenan!

With the goal of refreshing our brand and identifying a name that powerfully articulates our mission, we embarked on a rebranding process more than a year ago. It turned out the process was very much like naming a child. It was not a quick or easy decision but it has been exciting!

We have chosen the name 'Branches' which comes from the Gospel of John 15:5; Jesus says, "I am the vine, you are the branches..." As a faith-based organization that was established by the United Methodist Church, we are compelled by God to serve our neighbors and share His love in ways that create opportunities for people to fulfill their potential. Our tag line is to 'Grow Deeper, Climb Higher' which is our goal for the impact that takes place in the lives of those we serve. Our program brands are now Grow, Climb and Achieve, which focus respectively on children, youth, and adults.

We truly look forward to building on our long history as a ministry and serving our community as Branches. Thank you for being an important part of our mission. After all, we are the branches!

Serving so that others can Grow, Climb and Achieve,

Brent McLaughlin

Capital Campaign Update

Branches
Grow Deeper, Climb Higher

Please help us improve the lives of thousands of families!

Branches launched its Capital Campaign in January 2010 in order to build a new facility in Florida City and to renovate our new Community Center and main office in North Miami. The campaign goal is to raise \$3,600,000 and we are proud to report that we are 72% to our goal!

Branches serves the community through a wide array of services which focuses on children and families through education and financial stability services. Through the Grow, Climb and Achieve programs in Florida City, we provide a safe, warm and loving environment for children and youth to come afterschool and be surrounded by caring adults. Our students receive tutoring, mentoring and opportunities to expand their horizons through field trips, sports and other extracurricular activities. We also provide holistic services for their families through several financial stability programs, free tax prep, educational classes and hunger relief.

Please help us reach our fundraising goal so we may build a new Branches site in Florida City!

This new facility will allow us to triple the number of children and families we serve.

Our \$1.5: \$1 Matching Grant expires June 30, 2013, so please make your gift or pledge today!

THANK YOU...

2013 Martin Luther King, Jr. Day: One Big Event, Three Sites!

Over 400 community members came together on Monday, January 21st to remember and celebrate Martin Luther King, Jr. Day. Branches hosted events at three of our four sites and engaged hundreds of students, corporate and church volunteers and city officials.

Down south, Branches celebrated its 3rd Annual "Branches Florida City, Love Yourself!" Day and revitalized 5 homes, painted a mural at Florida City Elementary School, cleaned up surrounding land, and Florida City Park. Branches South Miami's theme of "SoMi Lights" focused on driving out darkness by lighting up their local community through engagement and volunteerism. The team removed invasive plants and garbage from nearby canals and painted their home church's bathrooms and conference center. Up north, Branches HQ in Lakeview celebrated "Show Love, Stop Violence" by increasing awareness of violence in our communities with anti-gang presentations and motivational activities.

Branches involves volunteers year-round in all of its programs such as the Grow program for elementary students, Climb program for middle and high school students, ASSETS small business program, Ways to Work car loan program, the VITA free tax prep services and many more. There are many opportunities to get involved and we truly value the involvement of community members who help strengthen and grow all aspects of our programs, in turn, allowing us to better serve our clients. To volunteer, please call Jim Walters at 305-442-8306 x2016.

A HUGE Thank You to Molina Healthcare and all our other MLK Day Sponsors for their generous support:
