From the Desk of the Director

Paying it Forward by Investing in Youth

Dear Friends,

Twenty-one years ago, we hired one youth to serve alongside our summer staff providing enrichment programs for children. We layered in additional training and support for this youth to foster personal growth. It was such a success that we now refer to it as the 'Summer Guide' paid internship program for Branches' youth. For many years now, we have been hiring at least 30 and sometimes up to 45 youth to serve as Summer Guides.

This program has become much bigger than just a job! Youth learn essential leadership and life skills and realize they have much to contribute and give back. In fact, many of our youth eventually sign up to serve at Branches as young adult AmeriCorps members!

This year for example 9 of our 20 AmeriCorps members were former Summer Guides. Having grown up at Branches makes them uniquely equipped to become highly effective team members. Vicky who is a current AmeriCorps member, student at Miami Dade College and former Summer Guide, said, "Being part of the Branches' team is like a dream come true! I've learned so much at Branches and have been challenged in so many ways to never stop growing and learning. Because of this opportunity to keep serving, it is making me a better person overall and a better nursing student at MDC."

Thank you for your support of Branches which is an investment in youth and young adults as together we create life-changing opportunities for them!

With Hope & Gratitude,

Brent McLaughlin
Executive Director

Branches hosted Spring Break Camp for all our students and brought fun visitors on-site!

Reading and learning about horses through our new Literacy Program at Whispering Manes!

Celebrating our 17 High School Seniors with a party, gifts and waffle bar at the Everglades Alligator Farm.

Financial Wellness Update

Leading Tax Prep through a Pandemic

Branches is proud to once again have served as the Miami-Dade County head agency for the Volunteer Income Tax Assistance (VITA) Program, leading Miami Tax Pros which offers free tax help to people who need assistance in preparing their own tax returns.

This past tax season has certainly been the most challenging to date. Faced with a global Pandemic in late March of 2020 due to COVID-19, all VITA sites across the country were forced to shut down. Yet Branches was able to quickly pivot and reinvent the way it provided tax preparation in order to keep serving. Branches developed a "Walk-Up Window" tax prep concept where clients could leave their paperwork with a Branches financial coach and

then answer questions via phone. The demand for tax prep service was high as people who qualified for the stimulus payments were eager to file. Thankfully Branches was able to provide taxes once again in early April and was one of the first VITA sites to re-open in the state of Florida.

Branches and its partners are very proud to share that so far in 2021, we have been able to prepare 7,495 free tax returns and secure over \$10 million in tax refunds for our local residents. Thank you to all the volunteers who helped make this possible, especially considering the immense challenges this past year. Filing one's taxes was not only important in order to receive a possible stimulus check, but Branches' staff, volunteers and partner sites also checked if individuals qualify for special tax credits such as the Earned Income Tax Credit (EITC), among others. About 60% of individuals living in Miami-Dade qualify for VITA, yet less than 2% are taking advantage of it.

Branches is also excited to share that Miami Tax Pros will soon be known as Florida Tax Pros as we expand to serve not just Miami-Dade but also Monroe, Collier and Escambia Counties. For several years, Branches has provided ongoing support and resources to neighboring county VITA programs that have been in need. We have provided volunteer and site coordinator training, ongoing technical assistance calls, and

presented on best practices for tax prep, volunteer retention, taxpayer recruitment, and fundraising to programs that have reached out to us directly and through partnerships. Thanks to a grant from Citibank and in partnership with Code for America, we joined a national coalition of community partners and dedicated volunteers to provide virtual free tax filing assistance through the Get Your Refund initiative and are training partners on how to use the virtual platform. We are excited about next tax season as we hope to reach and serve even more people in need of quality tax prep services.

"More than ever, Branches' actions to deliver the training, set up your sites and provide tax preparation services were commendable and remarkable. Please extend my sincerest thanks and appreciation to your volunteers. True leaders like you are the backbone of our free tax preparation programs!"

Gina Ruiz-Fernandez — Internal Revenue Service, Sr. Stakeholder Relationship Tax Consultant

THANK YOU to all our generous donors for supporting Branches' programs!

Black Tie & Blue Jeans Recap

Gala Chairs, Victoria & Jason Randolph pictured with their children.

On Thursday, April 29th at 7pm, Branches celebrated its 18th Annual Black Tie & Blue Jeans REIMAGINED Virtual Gala and Online Auction. Hundreds of guests tuned in to watch the show and helped raise over \$420,000 for Branches' programs focused on providing life-changing opportunities for families and their children so they may break the cycle of poverty.

This year's Gala was virtual and was made possible thanks to Gala Chairs Victoria and Jason Randolph, MC Ron Magill and Philanthropic Chairs Trish and Dan Bell who committed to a Matching Grant of sponsorships and donations towards the Gala. The event featured an interactive chocolate tasting led by Chef

Nicole Patel of Delysia Chocolatier, a presentation by one of Branches' college students Samantha Romain, as well as two beautiful arrangements sang by 3 sisters of the Branches Florida City Choir. In addition, Branches' Online Auction went live the evening of the Gala and was open for bidding for two weeks, proving once again to be a success.

Premiere sponsors of the event included Shining Star Sponsor, The Himan Brown Charitable Trust, as well as Platinum Sponsor, Truist. Gold Sponsors included Rodney H. Bell, Kathy & Scott Howard, Missy & Jim Morgan, Victoria & Jason Randolph, The Huizenga Family Foundation and The Tonkinson Foundation.

In April 2020, Branches was forced to cancel its 17th Annual Gala just weeks before it was supposed to take place due to COVID-19. Fortunately, Branches' many supporters helped make the non-event a success to raise resources during a very difficult time for this community. Since the COVID-19 Pandemic hit the Miami community, Branches has been working tirelessly to serve our children & families. We ramped up our meal service and to date have provided over 29,000 grab-and-go meals for our children and families. Within 24 hours of the schools closing last March, Branches' Grow & Climb student services team began connecting with children, youth and families via phone calls, text messages and Zoom meetings. Socially distanced on-site services resumed in August. The Achieve team is providing virtual financial wellness services through financial coaching, small business and emergency assistance. The Achieve staff has provided over 4,800 virtual financial wellness sessions and has provided over 1,280 small businesses with business coaching services. Thank you to everyone for making Branches' COVID-19 response possible!
