

# Content Pack 37

## OVERVIEW

### Equip members with helpful strategies for paying down debt

The materials in **Content Pack 37: Strategies for Debt Repayment** outline three approaches to building a debt repayment plan: the Snowball method, the Avalanche method and Consolidation.

#### BEST PRACTICES QUICK TIP

### Financial literacy—while you wait

Anecdotal studies show that people who have something to watch or read while they are waiting think more positively about the business where they are waiting. It's a Money Thing materials can be used to fill your members' unexpected downtime:

- **Show videos using your in-branch TV or display system.** No speakers? No problem—consider using a subtitled version of the video instead.
- **Have a selection of handouts available in waiting areas and at teller stations.** Members can read up on bite-sized personal finance tips while they're waiting for service.
- **Infographics can be turned into informative and eye-catching wall art.** It's a Money Thing infographics-turned-posters liven up an office and give members a lot to look at and read up on.
