Branches' Mission & Impact

Branches' mission is to serve, educate and inspire people through student, family and financial wellness services in partnership with our communities.

For over 50 years, Branches has been providing life-changing opportunities for hardworking families and their children to break the cycle of generational poverty.

We make this impact through our four signature programs:

Elementary

Helps children develop a love for learning through afterschool academic and enrichment activities.

Middle and High School

Supports youth in becoming better students and better people with a focus on post-secondary preparation and career exploration.

College and Vocational School

Coaches young adults to post-secondary completion through mentoring and scholarships.

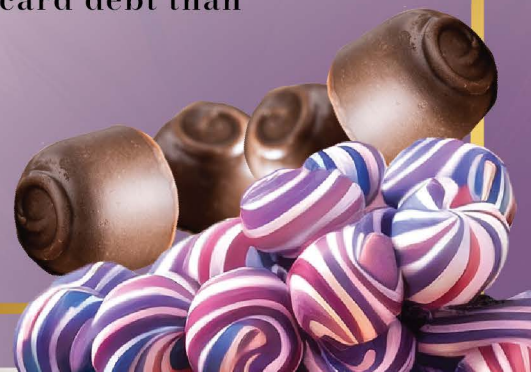

Financial Wellness for Families

Teaches families how to achieve financial wellness through one-on-one financial coaching, free tax prep and micro-business training.

Branches' students graduate post-secondary school with **<\$2,500** in debt on average.

Branches financial coaching participants have **30%<** credit card debt than the average Miami-Dade County Resident.

Branches' micro-business participants have a **100%** three year business survival rate.

Black Tie & Blue Jeans Gala
